EXPLANATORY

Concrete Street Monuments, and Corners of the City boundary line are marked with circles.

Important lines are marked with their respective bearings.

Dimensions are all given in feet unless otherwise stated

Dimensions given are

(a) Dimensions of Lots

(b) Distances between property lines and from line of monuments to property lines.

(c) The actual distances between the Corners of the City and those given by a decree of the Court.

Where present property lines are in conflict with those of the original plat, present property lines are shown in red, and those of the original plat in black.

ENGINEER'S CERTIFICATE

Richard R. Lyman being duly sworn, says he is the engineer employed by Lehi City to make a survey of said city, that this survey, showing the relative position of blocks, lots and streets therein both with respect to one another and to the corners of the public land survey, was made under his direction and under the authority given him by the city authorities, that the dimensions given on this map were obtained by actual survey and that the representations these dimensions make are correct.

Richard R. Lyman
Engineer

Sworn and subscribed to before me this 28th day of December 1911

R.W. Forsyth
Notary Public

APPROVAL OF MAYOR AND CITY COUNCIL

I, Edward Southwick do hereby certify that I am Mayor of Lehi City, that Richard R. Lyman, who subscribed the accompanying affidavit, was employed by the City to make the survey, and that the survey was made under authority of the City, that this map was approved and declared to be the official map of Lehi City by the City Council December 28th 1911.

Edward Southwick
Mayor

Attest G.A. Goates
Recorder

APPROVAL OF COUNTY COMMISSIONERS

This map of Lehi City was presented on this 2nd day of January 1912 by the City Council of Lehi City to the undersigned board of County Commissioners of Utah County, Utah in regular session who have examined it and hereby approve the same.
