Engineer's Certificate

I, A. H. Sorensen, do hereby certify that I am a Registered Professional Engineer and Land Surveyor, and that I hold certificate No. 632, as prescribed by the laws of the State of Utah. I further certify that by the authority of the owners, I have made a survey of the tract of land shown on this plat and described below, and have subdivided said tract of land into blocks and streets, hereafter to be known as PLAT B, SPANISH FORK CITY SURVEY and that the boundary has been correctly surveyed and staked on the ground as shown on this plat. In order that the West line of Plat B may coincide with the East line of Plat A, and also that the respective streets in Plat B shall be in alignment with the existing streets which now appear in Plat A, a tape correction of plus 0.1 ft. to 0.2 ft. per 100 ft., was necessary on all measurements made in this survey.

Boundary Description of Plat B: Commencing at a point which is 1 chain East of the NE Corner of Block 82, Plat A, Spanish Fork City Survey, Utah County, Utah and running thence South parallel to and 1 chain East of the West side of 8th East Street, Spanish Fork, which is also the East side of the platted blocks of Plat A, a distance of 3811 feet to a point 1 chain East and 3 rods south of the SE Corner of Block 1, Plat A; thence S 52° 45' E along the Utah State Road Commission Right-of-Way a distance of 585.4 feet; thence North parallel to and 532 feet East of the West side of 8th East St. a distance of 2767.4 feet to the South side of 1st North Street extended East from Plat A, which point is due East from the NE Corner of Block 40, Plat A; thence East 200 feet; thence North 932 feet to the South side of 3rd North Street, which point is due East of the NE Corner of Block 61, Plat A; thence East 266 feet, thence North 466 feet to the South side of 4th North Street; thence West 932 feet to the point of beginning.

Date: 8/5/58
