**Re:** *Proposed Utah County Land Use Ordinance Amendment to Require Waterway Management and Trail Easements for Large Scale Developments.*

To Interested Parties:

In an effort to be as transparent as possible, and to prevent any interested parties from making an unnecessary trip to the meeting of the Board of County Commissioners set for August 6, 2013, we wanted to let you know that the Board will not be taking action on the waterway management and trail easements matter at the August 6, 2013 meeting, other than to continue the agenda item without date. The Board desires to further review the issues and concerns which have been raised.

If you should have any questions or concerns regarding this matter, please feel free to contact the Clerk for the Board of County Commissioners, Renee, at 801-851-8111.

Sincerely,

A handwritten signature in black ink that reads "Doug Witney".

Chair, Board of County Commissioners
