

Utah County Injury Prevention Program Mini-Grant Application Form - Spring, 2016

Mini-grant opportunity: The Utah County Injury Prevention Program will have \$1000.00 of community injury prevention funding available to be dispersed through distribution of materials, equipment, and/or supplies purchased in bulk by the Utah County Health Department for projects that qualify. Applications must be submitted by **January 18th, 2016**.

Please base your proposal on a safe infant sleep program, child passenger safety, drowning prevention or traumatic brain injury prevention activity focused on helmet use that you plan on conducting in your community before **June 1st of 2016**.

Mini-grants will be awarded based on the strength of the proposed project/activity and availability of funds. If you have any questions please call Carrie Bennett @801-851-7035 for more information.

A completed evaluation of the injury prevention activities conducted will be due to Carrie Bennett by **June 15th, 2016**.
