

Utah County Employee of the Month, December 2013
JoDee Kimber - Office Specialist III
Sheriffs Office

JoDee has been at the Sheriff's Office for 23 years. Her positive attitude and happy disposition is contagious in the Emergency Services Division. JoDee is one of the hardest workers I have had the pleasure of working with. She is always willing and happy to go the extra mile for anyone and everyone, inside or outside the division. Recently the Emergency Services Division lost two secretaries to other areas, JoDee has taken the extra work without complaint and comes to work every day with a smile.

Her knowledge of the inner workings of the administrative tasks and responsibilities are unsurpassed!!! I like to compare JoDee to "Radar O'Reilly" on the television show M.A.S.H. She will typically have half of the work done for you before you even ask for help. JoDee is one of the most patient people I know, and I have never heard her complain about any aspect of responsibilities and truly enjoys her job. JoDee is married with two children. She is very family oriented, and it is apparent they are very near and dear to her heart.

JoDee's dedication to the Sheriff's Office and the volunteers for Utah County set her apart from everyone else. She has built such a great relationship with the Search and Rescue Team and Sheriff's Communications Auxiliary Team (SCAT). All of the volunteers are pleased with the services she provides to their teams. JoDee is a irreplaceable asset to the Emergency Services Division.

For the reasons listed above, we would like to nominate JoDee Kimber for Employee of the month.
