

Utah County Employee of the Month for March 2011
Tom Hill - Landscape Maintenance Specialist II
Public Works

We would like to nominate Tom Hill as Employee of the Month for his outstanding work landscaping, grooming and maintaining the grounds for Utah County.

This year, as most of you have probably noticed, the shrubs, flowers and lawn have been kept immaculately every season. Tom, as always, has done a remarkable job keeping the weeds down and the flowers at their best. His job takes a lot of perpetual observation and action to have such a beautiful outcome year after year. In the winter he is responsible for snow removal on sidewalks and parking lots to help keep us safe.

The Utah County Historic Courthouse is a landmark in Utah County, and the exceptional landscaping that Tom provides compliments it and gives it a beautiful presence.

Tom's pleasant and helpful nature in working with inmates, Master Gardeners, the 4-H organization and the general public is greatly appreciated. He has done an extraordinary job in beautifying the Utah County grounds.

We hope that you choose to honor Tom for his outstanding work.

Sincerely,

Adrian C. Hinton,
