EFFECTIVE DATE: 2/28/2017 (REVISED 10/23/2016 VERSION)
DEPARTMENT: DRUG & ALCOHOL PREVENTION & TREATMENT

JOB SUMMARY

Complete client needs assessments, coordinate and link clients to case management services within the community, and provide consistent individual monitoring of progress and support for recovery-oriented care. Employees may be assigned to one or more programs within the department as needed.

CLASS CHARACTERISTICS

Case Manager I: this classification requires licensure as a Substance Use Disorder Counselor (SUDC) or Social Service Worker (SSW). Work is performed under close to general supervision of a Program Coordinator or Program Manager.

Case Manager II: this full performance level requires licensure as an Advanced Substance Use Disorder Counselor (SUDC) or Social Service Worker (SSW). Employees in this classification have considerable knowledge of the policies, procedures, and laws affecting the work. Work is performed under general supervision of a Program Coordinator or Program Manager, and employees may provide counseling supervision to Case Manager Aides or Case Manager I's.

ESSENTIAL DUTIES

Case Manager I

Provide screening services to determine a client's eligibility for housing/shelter, medical, food, and other recovery support services.

Conduct interviews to assess substance use issues or other problems using approved screening tools, social history, and consultation with community resources.

Oversee case management activities. Admit and release program clients; link client placement within the appropriate level of care and services.

Supervise and monitor client conduct; maintain a record of activity to document progress in electronic health record system.

Link client with services to address specific hierarchy of needs to achieve identified client goals. Offer the client a single point of contact for advocacy with community services.

Perform intake and program orientation services.

Assist client with re-establishing an awareness of community resources and advocating for the client to enhance the continuity, accessibility, and efficiency of those resources available.

Work with program staff and therapists to ensure smooth transitions to the next level of care and to assist in avoiding gaps in services based on program capacity.

Perform individual crisis intervention services as needed to minimize relapse potential and to support client needs.

Present psycho-educational services designed to provide the client with information relative to substance use disorders.

Advocate for individualized client care and assist clients in applying and obtaining community services that fit the client's needs, rather than making the client fit potential services.

Consult with outside agencies to improve service delivery and share information; make referrals to appropriate supportive services for the client and family members.

Develop and supervise the life skills education component of the treatment program.

Facilitate life skills groups under the supervision of the Program Manager.

Case Manager II (in addition to the duties described above):

Provide supervision of Case Manager Aides and Case Manager I's when directed by the Program Manager or Program Coordinator to ensure licensure requirements are adhered to.

Oversee assigned treatment program in the absence, and at the direction of, the Program Manager or Program Coordinator.

ADDITIONAL RESPONSIBILITIES MAY INCLUDE

Represent Department with community agencies on behalf of client eligibility and advocating for services.

Facilitate client driven psycho-educational groups.

Oversee shift activities, provide transportation for clients and program needs, training, and guidance to non-licensed employees.
