Utah County Search and Rescue Unveils New Rescue Boat

MEDIA WELCOME

DATE: May 9, 2019

LOCATION: **doTERRA Campus**
(The event will take place in front on the west side of campus)
389 South 1300 West
Pleasant Grove, UT 84062

AGENDA: 10:00 a.m. – Q&A and Photo opportunity with Utah County Sheriff's Office, Utah County Search and Rescue, and doTERRA Founder Greg Cook
11:00 a.m. – Depart for Provo Harbor
12:00 p.m. – Launch boat for boat tour on Utah Lake

ABOUT: Last year the Utah County Sheriff's Office sent out a plea to companies and donors to assist in purchasing a new boat to aid in rough-water rescues and recoveries. Upon seeing the call, the doTERRA Healing Hands Foundation provided a generous donation that allowed Utah County Search and Rescue to purchase a Rigid Hull Inflatable Boat. Shortly after its purchase, the boat assisted in locating a victim in Strawberry Reservoir, proving its need to Utah County and many agencies throughout the state.

This event will include a Q&A and photo opportunity with the new boat at the doTERRA campus followed by a boat launch on Utah Lake.
