RE: \_\_\_\_\_ Subdivision, Plat "\_\_\_\_"

Dear Commissioners:

Pursuant to a resolution of its Board of Directors or appropriate officers authorizing this commitment, the \_\_\_\_\_ Water Company, Inc. ("Water Company") hereby commits to provide a perpetual supply of water to each dwelling unit and parcel within the \_\_\_\_\_, Plat "\_\_\_\_" development in a perpetual culinary supply of 0.45 acre feet per year per dwelling unit and parcel at a flow rate of not less than 0.015 cubic feet per second per dwelling unit and parcel, water for landscaping and fuel-breaks for each dwelling unit and parcel in a perpetual supply of 1.00 acre foot per year per dwelling unit and parcel, and water for irrigation in a perpetual supply of 1.5 acre feet per acre per year per parcel (excluding 10,000 square feet), and certifies that the system can continue to meet all water commitments for its preexisting connections. The landscaping water and irrigation water are available from April 30 through October 1 annually.

Water Company further certifies that its storage system and delivery system for the above mentioned development complies with Utah County Standards. The delivery of water shall be subject to the payment of all hookup fees, and all usual monthly water delivery charges, (If water service is discontinued due to nonpayment of fees, it shall be recommenced upon payment of back fees and reasonable late charges.)

The individual signing on behalf of Water Company personally warrants to Utah County that this commitment has been appropriately authorized and approved by Water Company.
