**WEATHERIZATION RENTAL AGREEMENT**

The Housing Authority of Utah County (hereinafter referred to as the Agency), under contract with the Mountainlands AOG, a local subgrantee agency of the State of Utah, and \_\_\_\_\_, the Owner (hereinafter referred to as the Lessor), as of this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, herewith enter into an agreement regarding the implementation of segments of the low-income Weatherization Assistance Program at the following dwelling unit(s).

Tenant(s) Name: \_\_\_\_\_ Current Rent: \$ \_\_\_\_\_

Address(es) of Unit(s): \_\_\_\_\_

WHEREAS, the Lessor is the owner of the above mentioned dwelling unit(s) and hereby authorizes and permits the Agency to undertake the weatherization activities allowed by federal law and regulations, as determined necessary by an energy audit conducted by the Agency, including but not limited to ceiling, wall, floor and duct insulation, storm windows, caulking and weatherstripping.

NOW, THEREFORE, in consideration of the above and the mutual promises and obligations herein provided, the parties hereby agree as follows:

1. Services to be Provided

The Agency agrees to furnish the Lessor (when requested in writing) with an itemization of the services and materials to be provided which shall be attached to and become part of this Agreement.

2. Consideration for Services

From the date of execution of this Agreement, the Lessor further agrees not to raise the rental charge of the above unit(s) for six (6) months from the date the weatherization services are completed because of the increased value of any such dwelling unit(s) due to weatherization assistance provided under this program. This does not preclude the increase of rents due to increased operating costs by the owner that can be documented. The Lessor further acknowledges that there are no current plans to sell or dispose of said rental unit(s) for a period of not less than one year from the date of this Agreement.

3. Eviction

The Lessor agrees and covenants that the Lessee(s) of said dwelling unit(s) so weatherized shall not be evicted or involuntarily removed from the dwelling because of the weatherization services provided under this Agreement and because of the upgraded value of the dwelling unit(s). The Lessor further agrees that if it becomes necessary to evict or involuntarily remove the tenant(s) for any other reason during the one-year period following the completion of weatherization, the Lessor will comply with the terms of paragraph 4, Dispute Resolution, in their entirety. The Lessor also agrees not to move weatherization eligible tenants from one unit to another in order to obtain weatherization improvements on additional rental units. Where the Lessee(s) voluntarily or otherwise vacates the leased dwelling, the Lessor agrees to make every effort to rent said unit(s) to a low-income Lessee for a period of not less than one year from the date of completion of the weatherization services.

4. Dispute Resolution

If, during the one-year period following the completion of weatherization services under this Agreement, the Lessor determines it is necessary to evict the Lessee for cause unrelated to the weatherization and/or increase in value of the dwelling not due to the weatherization, the Lessor agrees to provide the Lessee with a written statement of the reasons for such eviction at least ten (10) days prior to serving the Lessee with a Notice to Vacate or Notice to Quit. If the Lessee(s), in good faith, disagrees with the reasons stated, the Lessee may, within the ten-day period, file a complaint with the Utah Energy Advisory Council or other independent third party arbitrator designated by the Council such as the Utah Dispute Resolution, a non-profit affiliate of the Utah State Bar. The Lessor agrees that, during the period required for the resolution of the dispute, which begins upon receipt of the complaint, the tenant(s) will not be evicted and will be allowed to remain in the dwelling unit(s) providing the tenant(s) agrees to abide by all other current terms of the lease. No more than thirty (30) days will be allowed for the resolution of the complaint. The Lessor further agrees to be bound by the resolution of the dispute arrived at by the Utah Energy Advisory Council or their appointed arbitrator. The Lessee(s) is/are notified by receipt of a copy of this Agreement, that the Lessor does not waive, by agreeing to this paragraph, any causes of action or remedies available to him or her under Utah law, including but not limited to, treble damages for waste and for a bad faith filing of a complaint under this paragraph.

5. Penalty for Violation

If the Consideration of Services, Dispute Resolution or Eviction sections of this Agreement are violated, the Lessor will be billed for the cost of the weatherization services and agrees to pay within thirty (30) days of the date of such billing, the cost of such services. In the case of violations of this Agreement, billing for weatherization services would be made on a prorated basis for each month that the unit(s) was/were inhabited by a low-income person.

6. Assignment

This Agreement shall not be assignable or herein delegable without the prior written consent of the Agency.

7. Primary Benefit of the Contract

The parties agree that this Agreement is entered into for the primary benefit of the Lessee(s).

8. Liability

The Agency shall not be held responsible or liable in any way for the failure to provide work, labor services or materials provided for by the terms of the Agreement due to federal, state or municipal action or regulation. In exercising the privilege under this Agreement, the Lessor shall not be liable for injuries and damages occurring during the completion of weatherization activities which do not arise as a result of the Lessor's actions or activities on the premises.

9. Code Violations

Where violations of applicable building and/or health codes exist in the rental unit(s), the Agency may refuse to complete or undertake weatherization services until such time as the Lessor repairs and corrects the existing health and building code violations in the unit.

10. Cost Contribution

Basic needed energy conservation improvements will be made to the unit(s) without a financial contribution by the lessor. In order for the unit(s) to be considered for measures other than the basic procedures, at least one of the following options must be checked yes:

I, the Lessor, would like cost sharing information on the following options that apply to my rental unit(s):

A 50% match is required on all windows and doors. These improvements must have a savings to investment ratio (SIR) to the agency of no less than one to be eligible. The building owner must pay for heating or cooling equipment repair or replacement costs exceeding \$100 in full. YES  NO

A 50% match is required on all costs above \$100 in materials for all rental units that are master metered. These improvements must have a savings to investment ratio (SIR) to the agency of no less than one to be eligible and are based upon total cost of the improvements. The building owner must pay for heating or cooling equipment repair or replacement costs exceeding \$100 in full. YES  NO

Agent/Property Owner X \_\_\_\_\_ Phone #: \_\_\_\_\_

By signing this Agreement I am not automatically obligating myself to pay for work done solely at the discretion of the Agency, but that I am agreeing to consider a 50% match of specified items pending the results of the energy audit. Upon agreement between the Agency and the Lessor to share in costs, the Lessor will have 30 days to provide the required match payment, documents, and coordination with Agency staff needed to partnership in this project. If after 30 days all terms of the cost sharing agreement have not been met by the Lessor, the Agency will proceed with those weatherization improvements not requiring owner match.

11. Regulations

All applicable federal and state regulations governing the provision of services and allowable expenditure of the funds utilized pursuant to this Agreement are hereby incorporated into and made part of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.
