**Please note:** According to current Utah Law your voter registration is considered a public record and your registration data will be sold without your knowledge or consent.

**It is possible to have your registration secured, but you will have to read the italicized statement below and attest to its conditions.**

*"If you believe that disclosure of any information contained in (your) voter registration form to a person other than a government official or government employee is likely to put you or a member of your household's life or safety at risk, or to put you or a member of your household at risk of being stalked or harassed, you may apply to the lieutenant governor or your county clerk to have your entire voter registration record classified as private."*

If you feel this applies to you please sign this form and return it to the Utah County Clerk's Office at the address given above. This will constitute an application to have your entire voter registration record classified as private.
