

Storm Water Coalition Minutes
December 9, 2010

1. Welcome and Roll

2. Student Education Committee Update
Instructors Julia Cole and Jenny Devlin will work in unison seeing schools. This will increase the schools visited without increasing the cost for instructors. Once Jula Cole concludes her term, another instructor may be chosen to work in unison with Jenny Devlin to reach all the schools on the list in the year 2011.

3. Public Education Update
The Storm Water training offered by the Coalition will be designed to cover all information presented in a two hour time frame. The training will focus on storm water education for Contractors and Engineering companies.

Coalition members were asked to send an email to make suggestions regarding topics for training. The month of February 2011 was determined to be the best month. Dates will be forth coming.
