WORK ZONE SAFETY for Pedestrians

Use Designated Crosswalks at Signalized Intersections

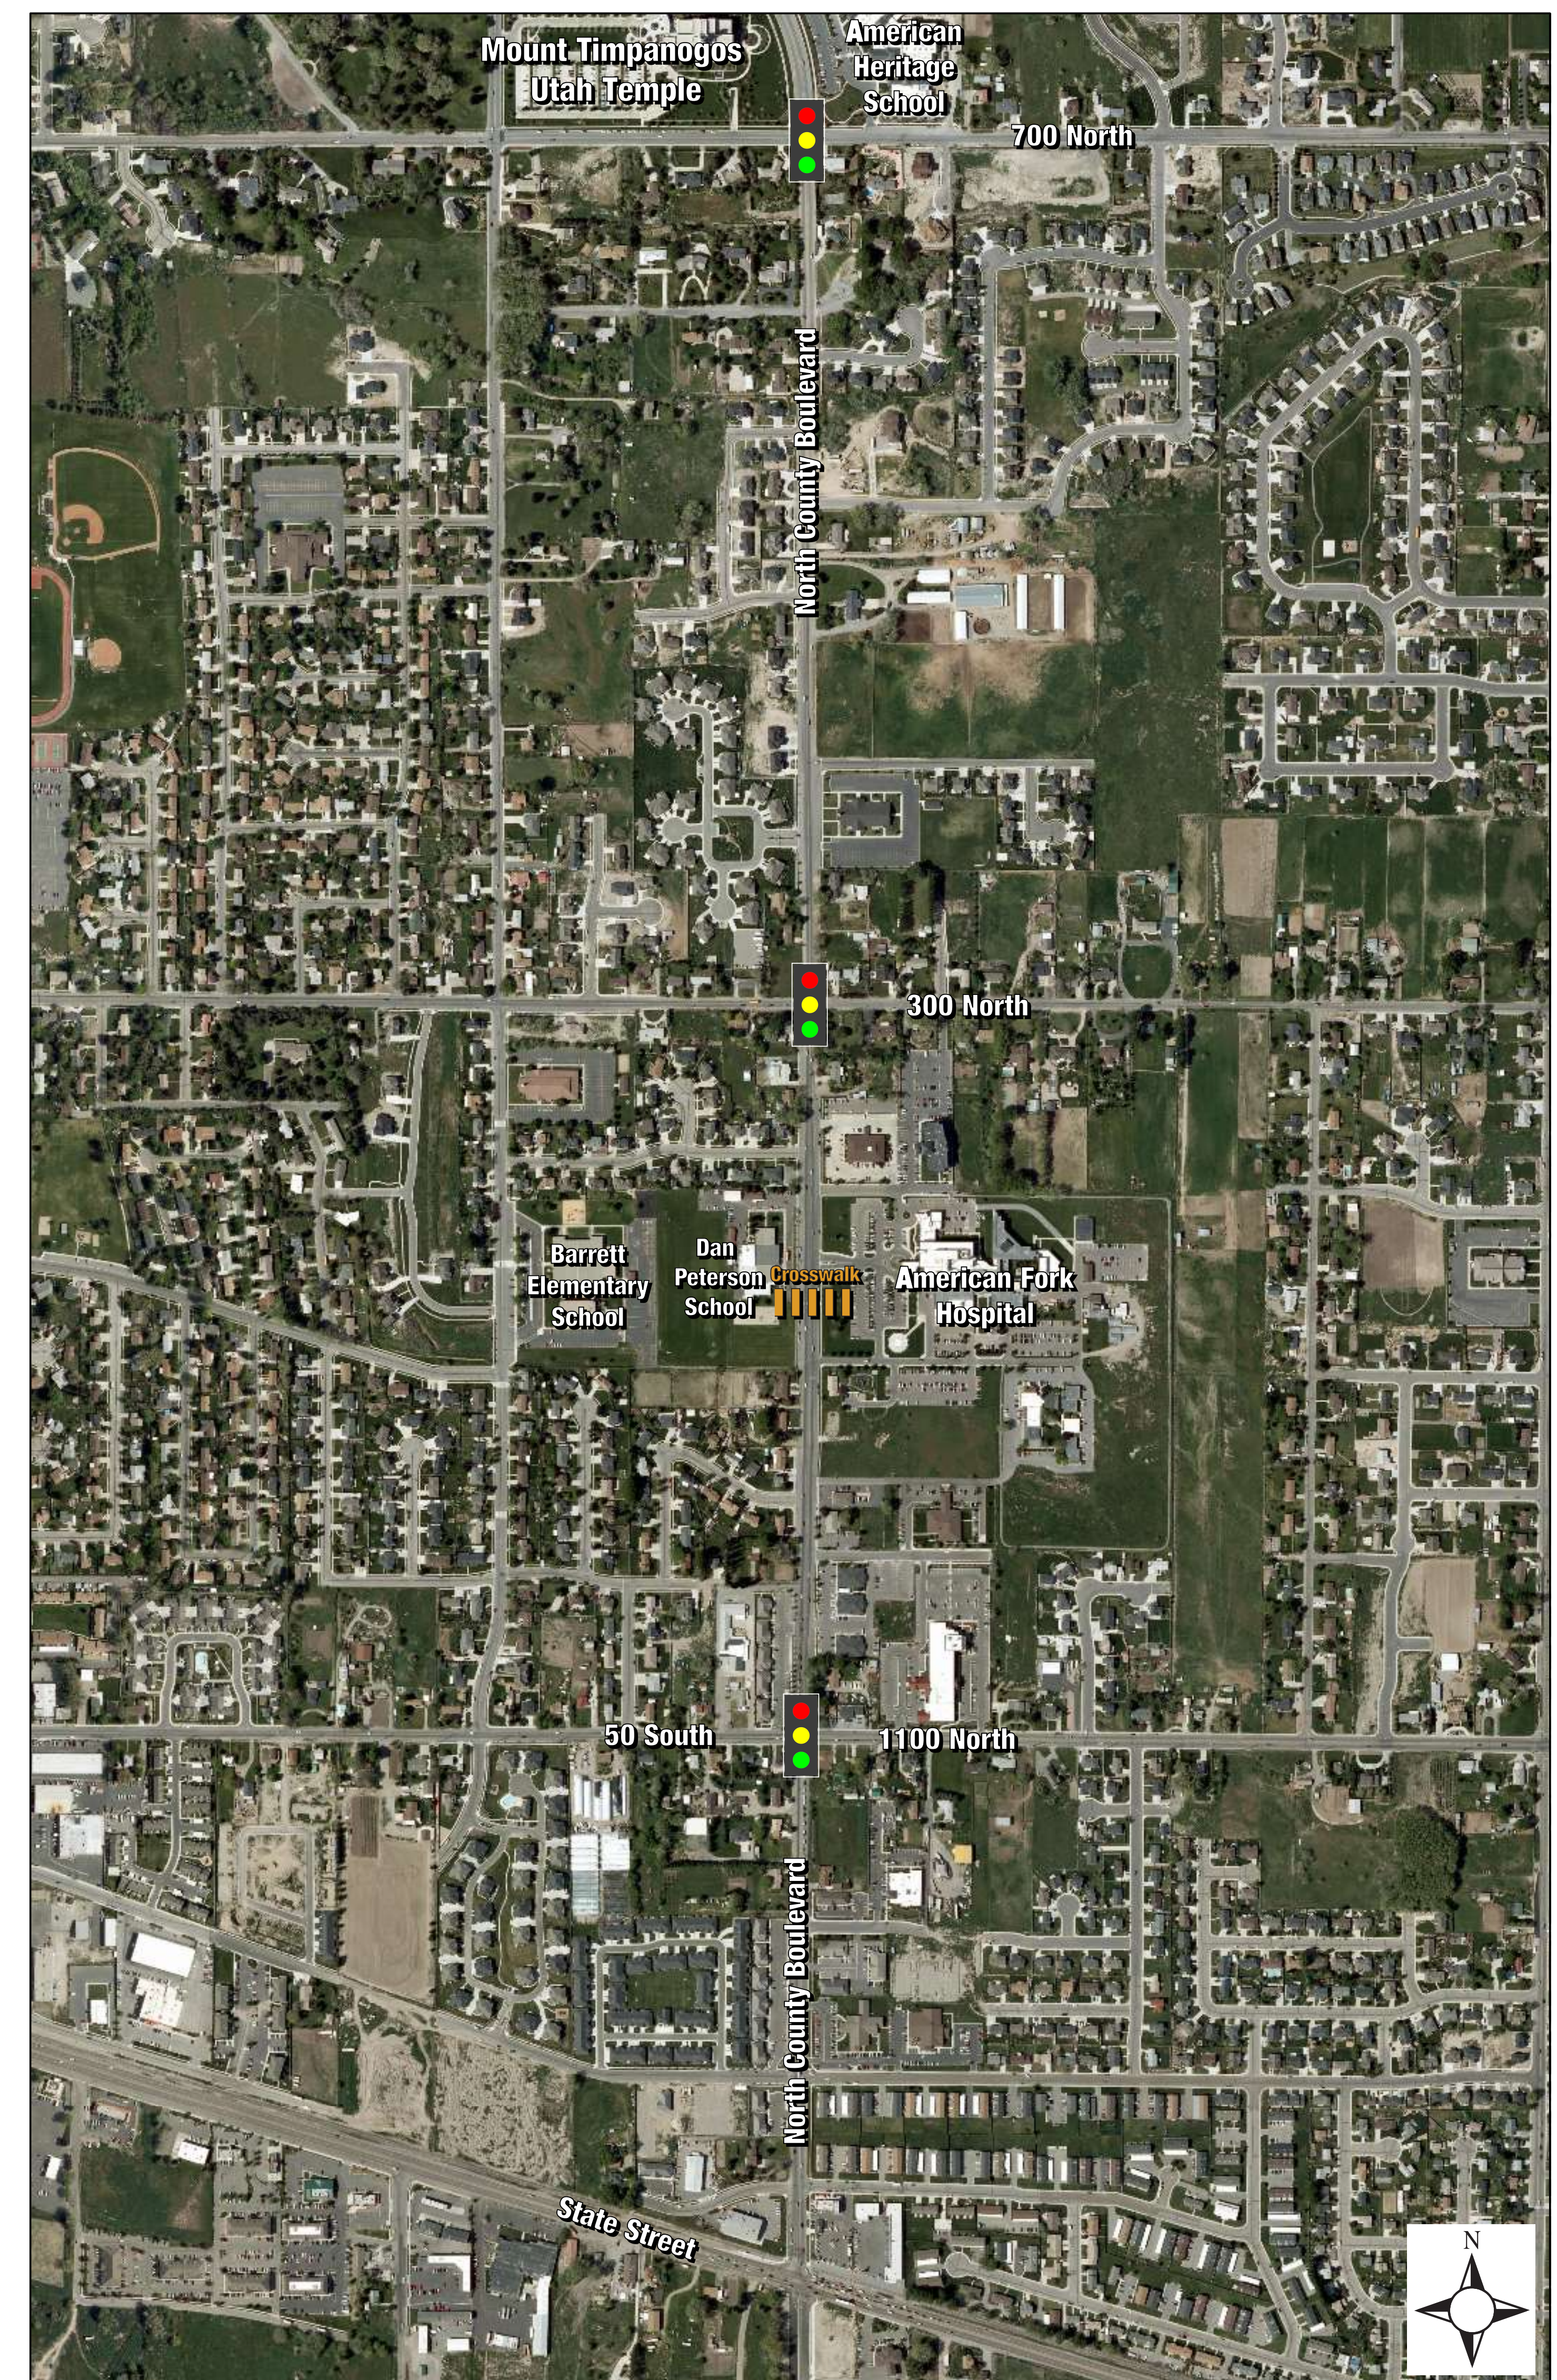

- Utilize and follow pedestrian safety signals
- Pedestrian warning signs create driver awareness
- Do not cross North County Boulevard at mid-block locations

Be Cautious and Alert

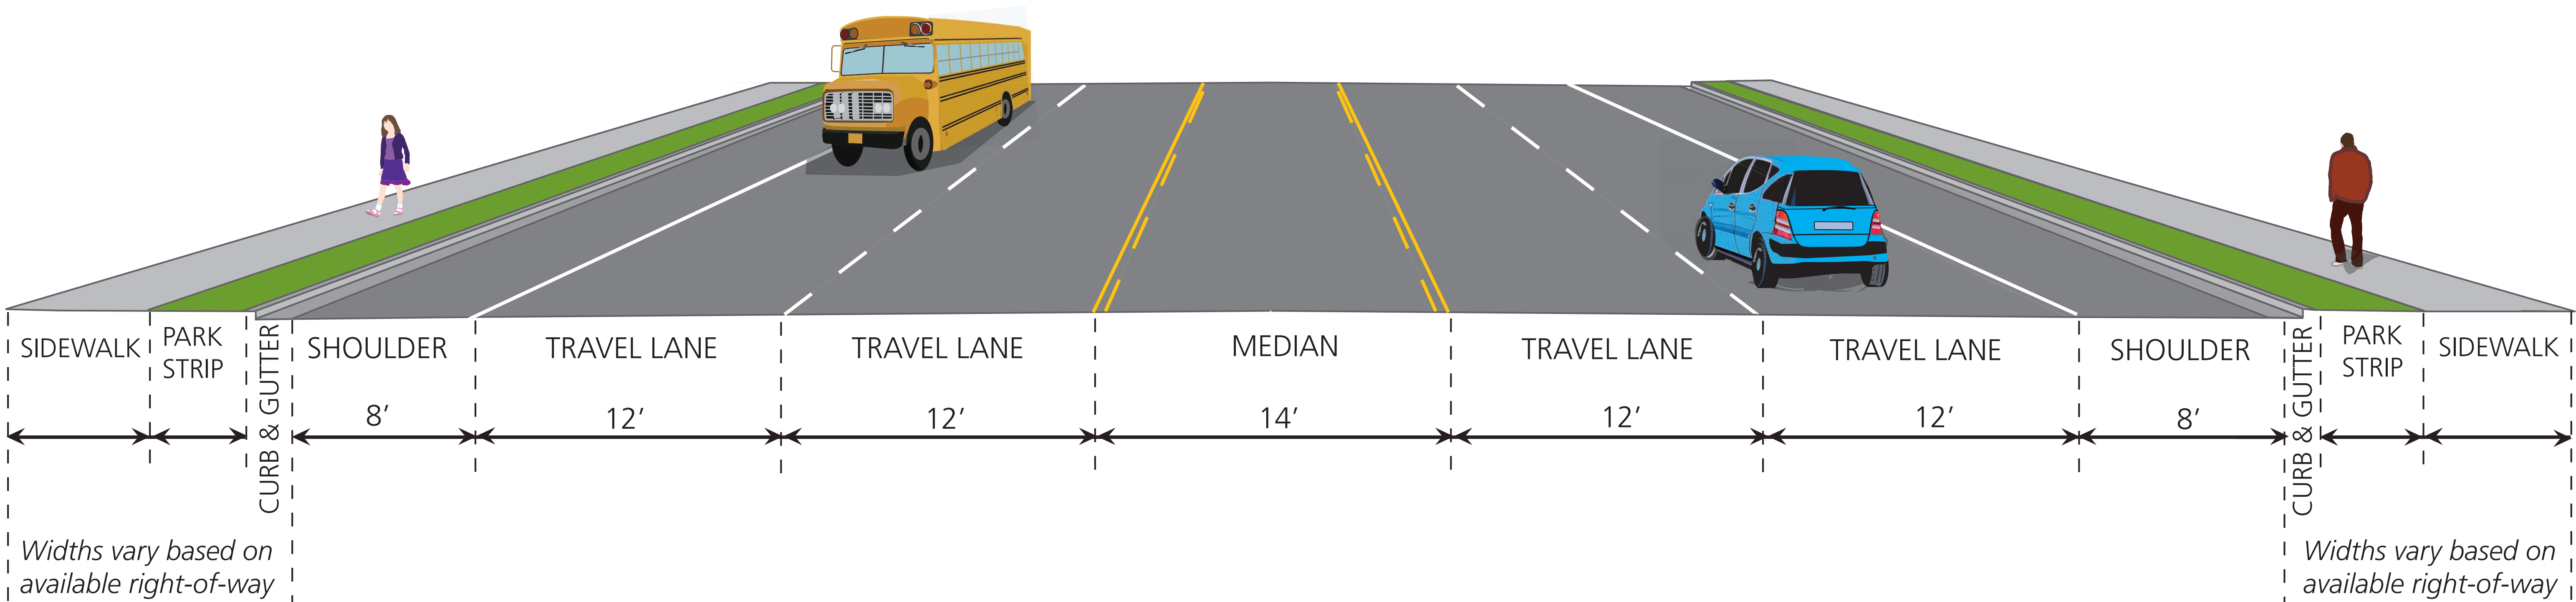

- Do not make assumptions and be aware of your surroundings
- Walk, do not run
- Travel in groups when possible
- Wear visible clothing (i.e. light and bright colors, reflective, etc.)

Avoid Active Construction Zones

- Minimize use along North County Boulevard during construction
- Use alternate routes when possible
- Do not walk between parked construction equipment, vehicles or, buses

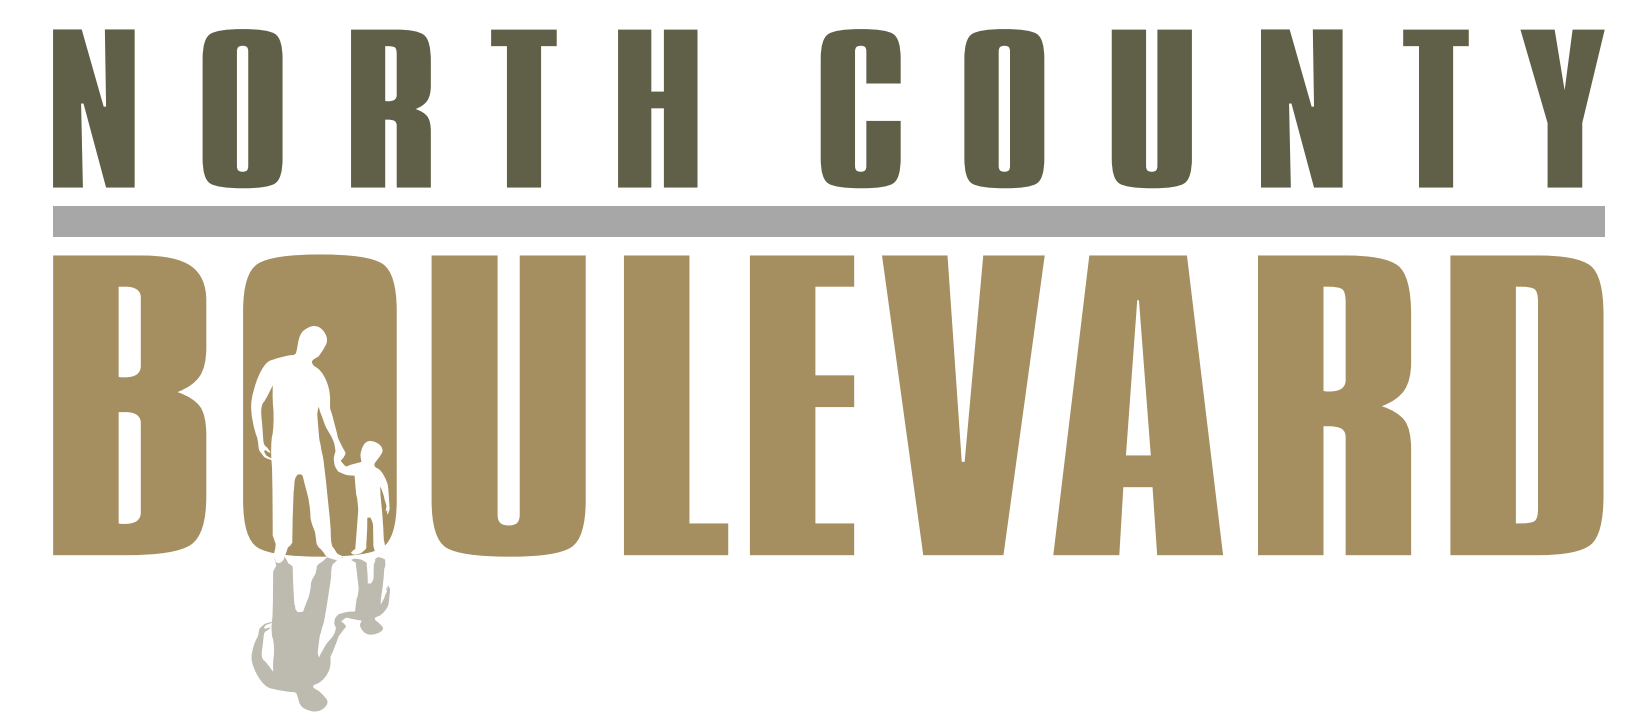

Typical Roadway Cross-Section Phase II

What to Expect During Construction

- **Noise & vibrations**
- **Dust & mud**
- **Traffic delays**
- **Brief utility interruptions**
- **Modified access to properties**
