Licensed Fire Alarm Contractors

Please note the list below is not a comprehensive list of available contractors and is not meant to be. These contractors are not listed in any deliberate order or priority. Please verify contractor licensure prior to entering into a contract. The list specifies which contractors are licensed to install fire alarm systems by the Department of Professional Licensing (DOPL). And by the State Fire Marshal's Office (SFM) for both installation and testing. All systems must comply with NFPA 13 regulations.
