EXECUTIVE SUMMARY

INTRODUCTION

Lewis Young Robertson & Burningham, Inc ("LYRB") has been retained by the Redevelopment Agency of Eagle Mountain (the "Agency") to assist with the management of the Agency's **Economic Development Project Area #2012-I** and **the Community Development Project Area (Parkside Project)**. LYRB has compiled the various creation and related documents associated with the project areas, created annual and multi-year budgets, and created a proprietary Excel-based software package to manage the Agency's Project Areas in the future.

The purpose of this report, in part, is to fulfill the requirements of Utah Code section 17C-1-603 – Agency Report. As new reporting requirements were adopted in legislation and became effective in 2011, this report facilitates the Agency's compliance with the new code, providing the data necessary to fulfill these new reporting requirements. This section of Utah Code mandates that the Agency provide an annual report to the county auditor, the State Tax Commission, the State Board of Education, as well as each of the taxing entities that levy a tax on property from which the Agency collects tax increment. The taxing entities involved in the project area of the Eagle Mountain EDA and CDA, to which this report is being provided, are summarized in the table below.

This report also fulfills the reporting requirements described in UC 17C-1-402(9)(b), allowing the report to be used in place of an annual taxing entity committee meeting. This annual report is for informational purposes and is intended to provide an overview of each Project Area that lies within the boundaries of the RDA, including descriptions of each Project Area, significant activities, project timelines, actual and estimated tax increment collections, and any other information pertinent to the taxing entities.

Provided in this report is an overview of the Economic Development Project Area #2012-I and the Community Development Project Area (Parkside CDA); including summaries of the current and projected budgets, Project Area growth statistics, and identification of certain concerns/needs.

OVERVIEW OF THE REDEVELOPMENT AGENCY

The Eagle Mountain Redevelopment Agency was created by the Eagle Mountain City Council in accordance with the provision of the Limited Purpose Local Government Entities – Community Development and Renewal Agencies Act, Title 17Cof Utah Code (UCA 17C).

Originally, under UCA 17C, each project area created by a Redevelopment Agency was classified simply as a Redevelopment Area (RDA). In 1998 and 2006, UCA 17C was expanded to allow the creation of

various types of project areas, including Community Development Area (CDA), Urban Renewal Area (URA), and Economic Development Area (EDA). In 2016, changes were made to UCA 17C putting an end to these three classifications. Going forward all project areas will again be lumped into one category and will be designated as Community Reinvestment Areas (CRA). The Agency has two project areas that triggered in 2016, for which increment will be remitted in 2017. Project Area #2012-1 is classified as an EDA and the Parkside Project area is classified as a CDA.

The Economic Development Project Area #2012-I was created in September 2012 and is governed by the (a) "Eagle Mountain Economic Development Project Area #2012-I – Project Area Plan" dated September 19, 2012; and (b) "Eagle Mountain Economic Development Project Area #2012-I – Project Area Budget" dated September 19, 2012.

The purpose of the Economic Development Project Area #2012-I was to develop, with possible assistance from the City and in participation with potential developers and property owners, public infrastructure, and the appropriate use of incentives permitted under the Act, to maximize this development as beneficial to the citizens of the City and the surrounding communities. The initial project included bringing a manufacturing business into the area. Since the time of adoption, a new development plan is being pursued and includes the Gateway Park Subdivision concept. The prospective developer anticipates the development of mixed use commercial space for five businesses. In addition to bringing jobs and the indirect benefits to the City associated with the presence of these businesses, this development will directly strengthen the community's tax base through increasing property and franchise tax revenues. The City is currently in negations with the potential developer to sign a development agreement.

The Economic Development Project Area #2012-1 is located entirely within the boundaries of the City and includes approximately 674.06 acres of land. A map of the Project Area is included in **Exhibit B**. The Agency will receive tax increment based upon the schedule outlined below with the caveat that tax increment will end when the RDA has collected \$635,000 or reached 20 years.

OTHER ISSUES

Project Area #2012-I was initially scheduled to trigger in TY 2015; however, the County did not trigger the project area. As a result the data provided in the 2015 Annual Report was inaccurate. The County triggered the project area in TY 2016.

The Agency requests personal property to be attached to all parcels in the project area including the following parcels:

The Community Development Project Area (Parkside Project) was created in May 2013 and is governed by the (a) "Community Development Project Area Plan" approved June 18, 2013; and (b) "Interlocal Agreement", dated July 9, 2013 by and between the Redevelopment Agency of Eagle Mountain and Utah County; and (c) "Interlocal Agreement", dated July 17,

2013 by and between the Redevelopment Agency of Eagle Mountain and Eagle Mountain City.

Development within the Project Area will be held to the highest quality design and construction standards, subject to (I) appropriate elements of the City's General Plan; (2) the planning and zoning code of the City; (3) other applicable building codes and ordinances of the City; (4) Planning Commission review and recommendations; (5) and Agency review to ensure consistency with this Plan.

All development will be accompanied by site plans, development data, and other appropriate material clearly describing the development, including land coverage, setbacks, heights, off-street parking to be provided, and any other data determined to be necessary or requested by the City or the Agency.

All development shall provide an attractive environment, blend harmoniously with the adjoining areas, and provide for the optimum amount of open space and well-landscaped area in relation to the new buildings. In addition, it shall maintain maximum availability of off-street parking, and comply with the provisions of the Project Area Plan.

The Community Development Project Area is located entirely within the boundaries of the City and includes approximately 144.84 acres of land. The site currently includes a Ridley's grocery store and an Ace Hardware store. The site was also recently occupied by Domino's Pizza and Subway restaurants. A map of the Project Area is included in **Exhibit B**.

The Agency intends to use the Project Area tax increment for public infrastructure improvements, land purchase, building renovation or upgrades, certain offsite improvements, and other improvements as approved by the Agency. The Agency will receive tax increment based upon the schedule outlined below:
