

## Ballot Cure Letter

Dear Voter,

We have received a ballot envelope with your name on it. However, we are unable to count the ballot because either your signature was not on the envelope or the signature did not match our records. Utah law requires that we verify the signature on the ballot envelope before the ballot can be counted.

Please complete the affidavit below, scan it or take a clear picture of it, and email it to [elections@utahcounty.gov](mailto:elections@utahcounty.gov) or send it to our office located at 100 E Center St., Rm 3100, Provo, UT 84606. **We must receive your signed affidavit by 5:00pm on Friday, March 8, 2024.**

Thank you,  
Utah County Elections Division

### **Voter Affidavit**      Utah County, Utah

By signing this affidavit, you are stating under penalty of law: you are a registered voter qualified to vote in the precinct in which you are registered; this ballot belongs to you; you voted this ballot; and you are not a convicted felon currently incarcerated for the commission of a felony. The ballot will not be counted if the signature on the affidavit does not match the signature on file with the election's office of the individual to whom the ballot was sent.
