

**LARGE SCALE DEVELOPMENT IRRIGATION SYSTEM APPROVAL LETTER FOR IRRIGATION AND CANAL COMPANIES**

\_\_\_\_\_, 20\_\_\_\_

Utah County Government  
51 S. University Ave. Suite 117  
Provo, Utah 84601

RE: \_\_\_\_\_ Subdivision, Plat “\_\_”

Dear County Commissioners:

Pursuant to the requirements of the Utah County Land Use Ordinance, the \_\_\_\_\_ Company (herein “Company”) hereby commits to deliver irrigation and landscape water to \_\_\_\_\_ Subdivision, Plat “\_\_\_,” (herein “Development”) and certifies that it has reviewed and approves the design and construction of all new and existing irrigation channels, ditches, structures, and other facilities of the proposed on-site irrigation system for the Development; approves the ditch sizes, the location of the irrigation system within the subdivision, and the materials to be used to construct the irrigation system; and certifies that the proposed on-site irrigation system can connect to the Company water delivery system with the delivery facilities called for in the proposed on-site irrigation system. The water is available from April 30 through October 1 annually. Each share of Company stock represents \_\_\_\_\_ acre feet of water, in an average water year.

The delivery of water shall be subject to the payment of all usual assessments and water delivery charges. (If water service is discontinued due to nonpayment, it shall be recommenced upon payment.)

The individual signing on behalf of Company personally warrants to Utah County that this commitment has been appropriately authorized and approved by the Company.
