- B. The parties intend that an independent contractor relationship will be created by this Agreement. Utah County is interested only in the results to be achieved, and the conduct and control of the work will lie solely with CONTRACTOR. CONTRACTOR is not to be considered an agent or employee of Utah County for any purpose, and the employees of CONTRACTOR are not entitled to any of the benefits that Utah County provides for County's employees. It is understood that Utah County does not agree to use CONTRACTOR exclusively. It is further understood that CONTRACTOR is free to contract for similar services to be performed for others while working under the provisions of this Agreement with Utah County.
- C. Both parties agree that CONTRACTOR shall be deemed an independent contractor in the performance of this Agreement, and shall comply with all laws regarding unemployment insurance, disability insurance, and workers' compensation. As such, CONTRACTOR shall have no authorization, express or implied, to bind Utah County to any agreement, settlement, liability, or understanding whatsoever, and agrees not to perform any acts as agent for Utah County. The compensation provided for herein shall be the total compensation payable hereunder by Utah County.

11. INSPECTION AND ACCEPTANCE

Utah County or its authorized representatives shall have the right to enter the premises of CONTRACTOR, or such other places where contract services are being performed, to inspect,

audit, monitor or otherwise evaluate the services being provided and the financial records pertaining to the Agreement. CONTRACTOR must provide reasonable access to all facilities and assistance to Utah County or its authorized representatives.

12. INSURANCE

- A. CONTRACTOR agrees to carry Commercial General Liability insurance coverage equal to or greater than \$2,200,000 per occurrence or as modified by the risk manager pursuant to state statute during the term of this Agreement. This coverage shall provide liability insurance to cover the activities of CONTRACTOR including CONTRACTOR'S agents, employees and subcontractors, and for all equipment and vehicles, public or private, used in the performance of this Agreement. The successful bidder shall provide a Certificate of Insurance to Utah County evidencing that CONTRACTOR has this insurance in place and shall maintain said insurance for the duration of this Agreement.
- B. CONTRACTOR shall furnish a Certificate of Insurance to COUNTY evidencing that CONTRACTOR has Workers Compensation Insurance for the CONTRACTOR, all subcontractors, and all employees of the CONTRACTOR and/or subcontractors.

13. INTERPRETATION OF AGREEMENT

The invalidity of any portion of this Agreement shall not prevent the remainder from being carried into effect. Whenever the context of any provision shall require it, the singular number shall be held to include the plural number, and vice versa, and the use of any gender shall include all genders. The paragraph and section headings in this Agreement are for convenience only and do not constitute a part of the provisions hereof.

14. KEYS

If it becomes necessary for the County to issue CONTRACTOR a key to County locks, final payment to CONTRACTOR will be held until the key has been returned and documented. It is illegal to duplicate County keys.

15. LEGAL

CONTRACTOR shall be responsible to provide all legal support for the project including but not limited to the preparation of contracts with subcontractors. This Agreement shall be interpreted pursuant to the laws of the State of Utah.

16. NO PRESUMPTION

Should any provision of this Agreement require judicial interpretation, the Court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against a party, by reason of the rule of construction that a document is to be construed

more strictly against the person who himself or through his agents prepared the same, it being acknowledged that all parties have participated in the preparation hereof.

17. NOTICES

All notices, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been properly given if delivered by hand or by certified mail, return receipt requested, postage paid, to the parties at their respective places of business, or at such other addresses as may be designated by notice given hereunder.

18. PAYMENTS

- A. CONTRACTOR shall submit timely invoices for materials delivered to County. Upon verification of the validity of an invoice, County shall pay CONTRACTOR within 30 calendar day of receipt of the invoice.
- B. Payment will be based upon verification of the actual quantities accepted by County which comply with these specifications.
- C. Partial or progress payments shall not relieve CONTRACTOR of performance or obligations under this AGREEMENT, nor shall such payments be viewed as approval or acceptance of work performed.
- D. The "Method of Measurement" and the "Basis of Payment" for all items shall be by the "Unit Price" specified by CONTRACTOR in the "Bid Schedule".

19. TERM AND TERMINATION

- A. The initial term of this Agreement shall commence upon the date of execution hereof and shall terminate upon CONTRACTOR'S completion of the specified work and acceptance thereof by COUNTY.
- B. The Agreement may be terminated for any reason by Utah County upon thirty (30) days written notice to CONTRACTOR, without prejudice to any other right or remedy Utah County may have.
- C. Failure of CONTRACTOR to adhere to any of the performance requirements of the Agreement shall be cause for termination without prior notice.
- D. The Agreement may be terminated for any reason by CONTRACTOR upon ninety (90) days written notice to Utah County.

20. WARRANTY

CONTRACTOR warrants to Utah County that all materials furnished under this Agreement will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects and in conformance with this Agreement. All work and/or materials not conforming to these requirements, including substitutions not properly approved and authorized, may be

considered defective. If required by Utah County, CONTRACTOR shall furnish satisfactory evidence as to the kind and quality of materials.

21. ENTIRE AGREEMENT

This Agreement shall constitute the entire agreement between the parties and any prior understanding or representation of any kind preceding the date of this agreement shall not be binding upon either party except to the extent incorporated in this Agreement.

IN WITNESS WHEREOF the parties have caused this AGREEMENT to be duly executed on the date set forth above.
