2022 Voting Precincts

Precincts are an alfa-numeric number that identifies the city/county, congressional district, and assigned precinct number.

The **alphabetic prefix** identifies the city or unincorporated county area.

The precinct **number sequence** is determined by the congressional district.

All precincts in congressional district 3 start in a 300 number series.

All precincts in congressional district 4 start in a 400 number series.

The **alphabetic suffix** identifies a school board split

There were intentional gaps in the numbering sequences in anticipation of future growth.

Reference

Reason for Change
Voters moved into the area, needed to eliminate the NRV303 precinct. Kept boundaries the same and renamed to ULE319.
Voters moved into the area, needed to eliminate the NRV404 precinct. Kept the boundaries the same. There are now two noncongruent areas in USF402. Will add sub precinct USF402:02 and rename USF402 to USF402:01 to address the subs.
Renamed this precinct because the House and state school district didn't match with SF411 parent precinct but does with SF421. No change to boundaries.
Created unincorporated precinct USF411 using the unincorporated area completely within the boundaries of SF411.
Annexation: merged into SA408 from USA402.
Annexation: merged into SF401 from UPM402.
Annexation: merged all of USR410:01 into SR410. Renamed the subs for USR410:02 and USR410:03 to USR410:01 and USR410:02.
Annexation (East Bay Storage): merged area into PR364 from UPR364.
Annexation (Fackrell): needed to create new precinct due to congressional district boundary. New precinct is SP303 from annexed portion of UHC301
Annexation (Gardner Farms): merged into EM410 from UCF401
Annexation (Kiene): merged entire ULE422:01 precinct into LE422. Renamed ULE422:02 to ULE422.
Annexation (Micron East): merge all of UHI302:01 into a new precinct LE303, due to district differences. Rename UHI302:02 to UHI302 sub no longer needed.
Annexation (Payson by the Springs): merged into PA414 from USL401.
Annexation (Rushton West): due to state house differences, we need to create a new precinct SR417 from the annexed area in USR424.
Annexation (BYU Farm): merged majority of annexation into SA402 from USA402.
Annexation (BYU): due to state house/school differences, needed to create new SA403 from UCB402.
Non-congruent areas created due to annexation. Need to add subs to these areas for USA402:01, 02, 03, and 04.

2022 Voting Precincts

Precincts are an alpha-numeric number that identifies the city/county, congressional district, and assigned precinct number.

The **alphabetic prefix** identifies the city or unincorporated county area.

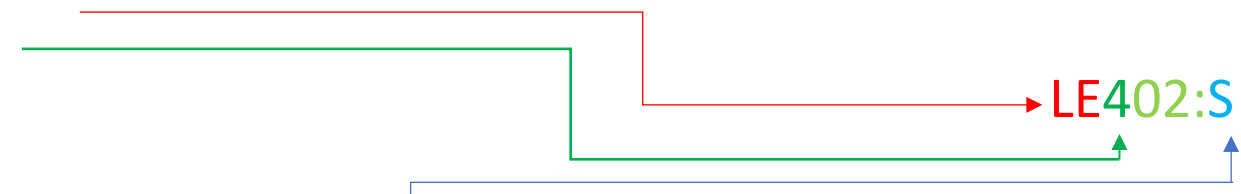

The precinct **number sequence** is determined by the congressional district.

All precincts in congressional district 3 start in a 300 number series.

All precincts in congressional district 4 start in a 400 number series.

The **alphabetic suffix** identifies a school board split

There were intentional gaps in the numbering sequences in anticipation of future growth.
